Supporting our tenants

We did all we could to help people through the cost-of-living crisis, and the difficulties associated with Universal Credit.

We supported tenants to pay their rent and other bills, access work and training, furnish their home and put food on the table.

Rent and value for money

We know how important it is for tenants to feel their home and services are good value for money.

We continued to help alleviate the financial pressures tenants face with the cost-of-living crisis, rising prices and the challenges caused by Universal Credit.

Engaging with tenants

We want tenants to be at the heart of all we do.

Our Stronger Voices programme helped more tenants than ever shape services in more ways than ever.

Tenants took part in surveys, neighbourhood walkabouts, community events and other activities.

Engaging with tenants

Tenants also took part in focus groups on housing performance, managing homes, anti-social behaviour and safety.

Patch newsletters kept tenants updated on developments in their local area.

‘Book It, Track It, Rate It’ and MyVoice are also important ways tenants can give us their feedback.

The Group Scrutiny Panel includes around 30 customers from our communities across Scotland. The Panel meets quarterly to scrutinise performance, choosing their priorities. In 2023-24, the Panel focused on anti-social behaviour, repairs, complaints, and re-lets/empty homes.

The Panel decides a 'spotlight' item for each meeting and can undertake thematic reviews. Last year they reviewed repairs communications and presented their findings to Boards. This year, the Panel's thematic review has been on environmental services.

Landlord self-assurance is at the heart of the Scottish Housing Regulator's approach to regulation. An important element of this is our Annual Assurance Statement. We have assessed compliance against the relevant regulatory requirements and the Wheatley Group Board considered evidence at its meeting on **28 August 2024**. The Wheatley Group Board has confirmed that all Registered Social Landlords which are part of Wheatley Housing Group Limited – Wheatley Homes Glasgow, Wheatley Homes East, Wheatley Homes South and Loretto Housing Association – comply with all relevant requirements set out in the regulatory framework. The full statement is available to view at www.wheatley-group.com. We also comply with the Scottish Social Housing Charter. This Annual Report provides an assessment of our performance against the outcomes and standards.
